## What is Alpha?

Alpha is a series of interactive sessions that explore the basics of the Christian faith

## Who's it for?

Alpha is for anyone who's curious to explore the big questions of life, faith and meaning. The talks are designed to encourage conversation and explore the Christian faith in a friendly, open and informal environment.

## How does it work?

Typically run over eleven weeks, no two Alphas look the same, but generally they have three key things in common: welcome, a short talk and a discussion where you can share your thoughts.
