

Pastoral MINISTRY network

Networking | Resourcing | Communication | Advocacy | Accreditation

Welcome to your Catholic forum for networking, developing and enriching collaborative ministry across Australia and the Oceania region. Pastoral Ministry Network seeks to accompany you, share fresh homegrown resources and explore together new ways of living and growing our faith in Jesus Christ.

All are welcome: parish leadership teams, staff, volunteers and council members, chaplaincies, catechists, school & university ministries, diocesan ministries and youth & family ministries, lay and ordained to a network connecting all who seek to live out the joy of the Gospel.

What We Offer You

Networking

PMN connects you with other individuals involved in pastoral ministry and ecclesial agencies including faith communities, parishes, dioceses, nationally and internationally through its Conference, themed gatherings and networking hubs.

Resourcing

PMN Virtual Resource Library includes both video and printed material. The growing video library houses workshops from the Alive in the Spirit Conference, Oceania Pastoral Ministry Webinars, and Prayer Experiences for you and your community.

Communication

PMN keeps in contact with you regularly via its newsletter informing you of ways to engage with others in pastoral ministry. Resources are highlighted with a focus on communities and individuals sharing their story about what is working for them in their areas of ministry.

Advocacy

PMN values its relationships with key bodies in our Catholic Church and beyond, often working in partnership supporting a variety of projects. You are always welcome to contact the Pastoral Ministry Network if there is a way that the team or others in Pastoral Ministry can support you. The Network can refer you to specialised organisations to assist with particular enquiries.

Accreditation

PMN is working for you in developing relationships with formation and training providers to offer accredited courses for Pastoral Ministry. Accreditation provides recognised validation for this important area of ministry as well as personal learning and growth.

A Vision of Church

Joining the Pastoral Ministry Network not only benefits yourself and your organisation. You are also supporting a vision of church to revitalise and renew pastoral ministry and leadership through networking, communication, resourcing, advocacy and accreditation.

Benefits

Free Access to Webinars

You receive a free pass to our Oceania Pastoral Ministry Webinars, normally priced at \$20 each.

Regular Newsletters

You are updated with key ministry and leadership news, including upcoming events and new resources.

Discussion Forums

Engaging discussion forums offer a space for you to exchange wisdom and make new connections.

Resource Library

You gain access to our homegrown resources including workshops, books, articles and how-to guides.
